

Request for Quotation

Document date: 15.05.2020; Response by: 29.05.2020

REQUEST FOR QUOTATION FOR BUILT EXTENSION

Contract estimated start date: 01.07.2020

Contract estimated end date: 31.09.2020

We are seeking quotations for extension to our factory/production area as below.

1. 18m x 5m single storey extension to the side of Unit 24 Snibston Drive, LE67 3NQ
2. Floor slab to accommodate a 2 ton Fork truck with a 1 ton lift and height to be maintained and continuous with existing when knocked through
3. Brick and block walls to match the existing building
4. Cladding to match the existing building
5. Roof to be insulated with skylights
6. Lighting - LED with motion sensors to match existing
7. Power - Fed off Distribution Board F with 12 isolators (locations TBC)
8. Internal block walls
9. Sliding doors x 3 for the Fab shop, Spray room and Compressor room

The quotation must be sent to us by email (as a .pdf attachment) to: paul@nsengineering.co.uk, by 17:00 on Friday May 29, 2020. Quotations received after the specified date/time will not be considered.

It is the requirement of this request for quotation that the following information is supplied:

- The quotation must include supplier's name and full business address (this could be the letter head with supplier's full address)
- Made out to us using our company's name and full address
- Date of the quotation
- Period for which the quotation is valid for
- Full description of works to be provided
- Description of experience with similar projects, suitability for the work
- Estimated timescales for delivery (from the date of placing the order)
- Net/Gross prices
- Terms of Payment

Our evaluation will consider the price, description of works, the supplier's level of experience, timescales for delivery and payment terms proposed.
